Practice makes progress!

Practice your art skills this summer at The Rhoades School Art Camp!

Let your child spend their summer making art at The Rhoades School. The visual arts summer camp is for students ages 7-14. Art Camp is a great opportunity for young artists to develop creativity, self expression and fundamental art skills. Each week students will study different subject matter and art techniques from a variety of art mediums listed below. On Fridays we will showcase student artwork with an art exhibit for families and friends to attend. Students will bring home a portfolio of all their work.

Ceramics: Explore clay as a medium of expression. In ceramics, you will learn basic skills and the creative aspects of working with clay in a variety of hand building techniques.

Painting: Introducing a variety of media and techniques, you will have the opportunity to work from observation and explore your own personal expression.

Drawing: Drawing is the essential foundation for all other artistic forms. Learn the basic skills of rendering considering art elements as you work in a journal with pencil, charcoal and color pastels.

Printmaking: An introduction to printmaking considering a variety of traditional printmaking processes.

The Rhoades School Summer Art Camp Program

Daily activities will include working with ceramics, printmaking, drawing and painting. Each medium will showcase a different theme and will vary each week for the returning artist.

ACTING For Musical Theater

Students will have fun, working individually and as an ensemble, to learn techniques to improve their natural acting ability. A Broadway review will be presented on the final day of class. This is a great introduction into the world of acting in musical theatre and a wonderful place to learn self-expression!
