Inspiring curious minds to think deeply & live courageously.

Since 1980, The Rhoades School has provided an academically advanced education for San Diego's gifted students. We combine a robust curriculum with innovative instruction to meet the unique needs and passions of our students.

Our Lower School emphasizes personal attention and strong partnerships among parents, teachers, students and staff. Our rigorous Middle School curriculum prepares our advanced learners for success in high school and beyond. Come and get to know us.
