

IS YOUR CHILD PRE-SCREENED?

YES

Welcome to school!

NO

Please pre-screen before arriving to school.

HOME-BASED SYMPTOM SCREENING

If your child has any of the following symptoms today or in the last 24 hours, they might have an illness they can spread to others. Before going to school, check for these symptoms or any changes from baseline health.

- Temperature of 100.4 degrees Fahrenheit or higher.
- Sore throat
- Cough (for students with chronic cough due to allergies or asthma, a change in their cough from usual)
- Difficulty breathing (for students with asthma, check for a change from their baseline breathing)
- Diarrhea or vomiting
- New onset of severe headache, especially with a fever

Within the last two (2) weeks, has your child been diagnosed with COVID-19 or been in close contact with someone who has COVID-19?

If you answered **YES** for your child for any of these symptoms above or are unsure:

- Please keep them home from school.
- Contact school and report your child is sick.

If you answered **NO** for your child for all of these symptoms above:

- Send them to school as usual.
